

## The USAID FEWS-NET

## **Haiti Weather Hazards and Benefits Assessment**

For **April 10 – April 16, 2008** 

In recent weeks, rainfall has been concentrated to the mountainous area of Hispaniola with light-to-moderate rains elsewhere on the island. During the April 10 – April 16 observation period moderate rains are expected across the island.

FEWS NET is a USAID-funded activity whose purpose is to provide objective information about food security conditions. Its views are not necessarily reflective of those of USAID. The FEWS NET weather hazards assessment process and products include participation by FEWS NET field and home offices, NOAA-CPC, USGS, NASA, and a number of other national and regional organizations in the countries concerned. Questions or comments about this product may be directed to Wassila. Thiaw@noaa.gov or 1-301-763-8000 x7519
