

The USAID FEWS NET Weather Hazards Impacts Assessment for Hispaniola June 24 – June 30, 2010

• High amounts of rain continued over the central portions of Hispaniola during the last week. A weak tropical wave is likely to bring heavier rains and winds along many southern parts of Hispaniola in the next seven days.

FEWS NET is a USAID-funded activity whose purpose is to provide objective information about food security conditions. Its views are not necessarily reflective of those of USAID or the U.S. Government. The FEWS NET weather hazards assessment process and products include participation by FEWS NET field and home offices, NOAA-CPC, USGS, USDA, NASA, and a number of other national and regional organizations in the countries concerned. Questions or comments about this product may be directed to Wassila. Thiaw@noaa.gov or 1-301-763-8000 x7566.
